PROFILE

Dedicated and collaborative professional with a strong background in therapeutic practices, focusing on enhancing communication and well-being for diverse individuals. Proven experience in creating engaging and practical resources that cater to the unique needs of clients. Adept at working as a team member in dynamic environments, ensuring exceptional service delivery and guest satisfaction. My journey in therapy has equipped me with transferable skills that are essential in a spa setting, including a commitment to holistic well-being and a deep understanding of individualized care.

WORK EXPERIENCE

Service Lead for Schools | Child in Mind, Manchester | October 2016 - Present

- Developed and tailored communication and therapy resources that significantly enhanced the experience and engagement of children in educational settings.
- Implemented impactful 1:1 Play Therapy and Family Therapy sessions, ensuring a nurturing environment that fosters emotional and psychological well-being.
- Collaborated with teachers and therapists to create inclusive materials, ensuring accessibility for diverse learning needs and promoting effective communication.
- Supervised and mentored postgraduate Play Therapy students, fostering a collaborative learning environment that emphasizes best practices in therapy and communication strategies.
- Coordinated workshops and training sessions for staff, enhancing their skills in delivering therapeutic services and improving overall guest satisfaction.
- Maintained accurate and detailed documentation of therapy sessions, ensuring compliance with best practices and enhancing the quality of service provided.

Play Therapist | Barnardos, St Helens | January 2015 - October 2016

- Designed and implemented tailored visual and therapeutic resources to support children referred through CAMHS, enhancing their ability to communicate and engage.
- Participated in multidisciplinary assessment meetings, advocating for appropriate communication supports to ensure the best outcomes for referrals.
- Managed a diverse caseload of school-aged children, utilizing creative and resource-based approaches to address a variety of social, emotional, and communication challenges.
- Facilitated group supervision sessions, sharing insights and strategies on child-centered communication, thus enhancing team cohesion and service quality.
- Coordinated with external agencies to ensure comprehensive support for children, demonstrating a strong commitment to collaborative service delivery.
- Engaged with families to provide guidance and support, ensuring they felt valued and understood throughout the therapeutic process.

Family Session Worker | OJs, Preston | May 2023 - January 2024

- Developed and customized resources aimed at supporting families with children on the autism spectrum, ensuring meaningful engagement and communication.
- Created inclusive activities that allowed children with communication differences to participate fully in group settings, promoting a sense of belonging.
- Collaborated closely with families and colleagues to identify individual needs, ensuring that all resources were practical, accessible, and user-friendly.
- Managed logistics for family sessions, ensuring timely delivery of services and adherence to scheduled activities, enhancing overall client satisfaction.
- Provided feedback and insights on resource effectiveness, contributing to continuous improvement in service delivery and guest experiences.
- Facilitated open communication channels with families, ensuring they felt supported and informed throughout the process.

Plan and Resource Creator | International school

- Planned and developed comprehensive literacy and learning resources for primary-aged children, enhancing their educational experience in a hotel-like environment.
- Created engaging classroom materials that not only supported reading and writing development but also catered to the diverse needs of students.
- Collaborated with teachers to ensure that resources aligned with lesson objectives, fostering a cohesive educational experience for all students.
- Adapted activities to suit various learning needs and levels, ensuring inclusivity and accessibility in all educational settings.
- Coordinated with other educators to share best practices and enhance the overall quality of educational resources provided.

CERTIFICATIONS

DDP (Diadic Developmental Psychotherapy) Health & Social Care (Preston College)
