WORK EXPERIENCE

Service Lead for Schools | Child in Mind, Manchester | October 2016 - Present

- Designed and implemented communication and therapy resources tailored for children in educational settings, enhancing their ability to express needs effectively.
- Delivered impactful 1:1 Play Therapy and Family Therapy sessions, focusing on psychotherapeutic assessments to shape individualized therapeutic pathways.
- Collaborated closely with teachers and therapists to create engaging and accessible materials that support children with diverse communication and learning needs.
- Supervised and mentored postgraduate Play Therapy students, providing training in effective resource utilization and inclusive communication strategies.
- Facilitated workshops for educators on effective interventions for children facing emotional and communication challenges, promoting a collaborative approach to support.
- Conducted regular evaluations of therapy programs to ensure they meet the evolving needs of children, adjusting resources as necessary.

Play Therapist | Barnardos, St Helens | January 2015 - October 2016

- Developed personalized visual and therapeutic resources to support children referred through CAMHS, addressing a broad spectrum of emotional and social challenges.
- Played an active role in assessment meetings, providing insights and recommendations for tailored communication supports aimed at enhancing the child's engagement.
- Managed a diverse caseload of school-aged children, utilizing creative and resource-based techniques to address various social, emotional, and communication issues.
- Facilitated group supervision sessions with colleagues, sharing best practices and strategies for child-centered communication, fostering professional development.
- Engaged with families to provide support and guidance, empowering them to utilize therapeutic techniques at home to reinforce communication skills.

Family Session Worker | OJs, Preston | May 2023 - January 2024

- Provided specialized support for families with children on the autism spectrum, designing and adapting resources to promote effective engagement and communication.
- Created inclusive activities to ensure meaningful participation of children with communication differences in group settings, fostering a sense of belonging.
- Collaborated with families and colleagues to develop individualized strategies that address each child's unique needs, ensuring resources were practical and accessible.
- Conducted feedback sessions with families to assess the effectiveness of interventions, continuously improving resource development based on their insights.

Plan and Resource Creator | International school | N/A

- Planned and crafted literacy and learning resources specifically for primary-aged children, focusing on enhancing their reading and writing skills.
- Developed engaging classroom materials that not only support academic development but also encourage social interaction and communication among peers.
- Worked collaboratively with teachers to ensure alignment of resources with curriculum objectives, adapting activities to meet various learning styles.
- Regularly assessed the effectiveness of resources and activities, making adjustments to better suit the evolving needs of students.
