 WORK EXPERIENCE

- Service Lead for Schools | Child in Mind, Manchester | October 2016 - Present
- Designed and implemented communication and therapy resources aimed at enhancing children's experiences in educational settings, ensuring a welcoming atmosphere.
 - Provided individualized Play Therapy and Family Therapy sessions, successfully improving the emotional well-being of numerous families.
 - Collaborated with teachers and therapists to develop accessible materials, ensuring effective communication and engagement for all children.
 - Supervised and mentored postgraduate Play Therapy students, fostering a team environment and promoting best practices in therapeutic service delivery.
 - Coordinated workshops and training sessions for educators, enhancing their skills in working with children with diverse needs.
 - Managed scheduling and resource allocation to optimize therapy sessions, ensuring timely and effective service for all clients.

- Play Therapist | Barnardos, St Helens | January 2015 - October 2016
- Created personalized visual and therapeutic resources tailored to children referred through CAMHS, enhancing their therapeutic experiences.
 - Participated in assessment meetings, recommending effective communication supports and ensuring a seamless transition into therapy.
 - Managed a varied caseload of school-aged children, employing creative techniques to tackle social, emotional, and communication challenges.
 - Facilitated group supervision sessions, fostering collaborative discussions on child-centred communication strategies among practitioners.
 - Ensured the delivery of high-quality, client-focused therapy sessions that prioritize the unique needs of each child.
 - Worked collaboratively with families to develop holistic strategies that support children's development within their home environments.

- Family Session Worker | OJs, Preston | May 2023 - January 2024
- Supported families with children on the autism spectrum by developing and adapting inclusive resources that promote meaningful engagement.
 - Designed group activities that ensured participation from children with varied communication needs, fostering a sense of belonging.
 - Collaborated closely with families and team members to address individual needs, ensuring resources were practical and effective.
 - Coordinated family sessions that highlighted therapeutic techniques, enhancing the overall experience for participants.
 - Managed time effectively to ensure all families received the support they needed during sessions.
 - Contributed to the continuous improvement of service delivery by gathering feedback and assessing the effectiveness of developed resources.

- Plan and Resource Creator | International school
- Planned and developed literacy and learning resources for primary-aged children, ensuring alignment with educational standards.
 - Created engaging classroom materials to support reading and writing development, enhancing the educational experience.
 - Collaborated with teachers to ensure resources were effectively integrated into lesson plans, promoting student engagement.
 - Adapted activities to meet different learning needs, ensuring inclusivity and accessibility for all students.
 - Managed timelines effectively to deliver resources in line with curriculum requirements.
 - Provided ongoing support to educators in implementing the resources, fostering a team approach to education.
